

TTC No. 4600, first in new class A-15, is the prototype for a new series of rebuilt PCC cars proposed for use on the SPADINA LRT line. Here PCC 4600 (ex-4505; CC&F/St. Louis Car, 1951) is seen on Lakeshore Rd. near Humber Loop, Sept. 24, 1986, in its first week of service following a six month major rebuilding.
